September 2009

EU FP7 Call for the European Network of Cohort Studies on HIV/AIDS

The call text was released 30 July 2009 with a deadline of 19 November. To see the text, please [click here](#)

The CORE group, networks, and other workpackages leaders have been working hard throughout August to write several of the workpackages and structure the application.

Open call for proposals to EuroCoord for FP 7 application

There is an open call for new collaborative science proposals to EuroCoord. The deadline for submission is 15 Sept 2009 after which they will be reviewed and considered for possible inclusion into the application.. Submissions should be sent to Michelle at mel@cphiv.dk.

REMINDER TO ALL PARTNERS: Please submit your declaration of overhead and institution information

The deadline for this has passed and we are still missing information from some of the partners. If you have questions, please contact Michelle as soon as possible at mel@cphiv.dk.

Collaborative Project Status

ACTIVATE

The next International ACTIVATE HIV Course in Minsk will be held October 8-10 in Minsk, Belarus. This year's training will target HIV clinicians from Eastern Europe and will include modules on statistics, HIV and IDU, Hepatitis, TB, and Mother-to-child transmission.

The application deadline has passed and the course is fully booked with 50 participants. For more information, please visit [www. EuroCoord.net](http://www.EuroCoord.net).
